STRONG LEADERSHIP INVOLVES COMMUNICATION SKILLS, ENGAGEMENT, ACTIVE LISTENING, WILLINGNESS TO TAKE RISKS, AND MAKING COLLABORATIVE DECISIONS FOR THE BETTERMENT OF OUR DHS MEMBERSHIP.

If elected these are the promises I will keep:

We are a member run union and as your DHS President, my entire ability is dedicated to serve our members. I do not take you for granted. I honor, respect and encourage open and transparent communications with SEIU leadership, Agency leadership and DHS leadership. I hold in the highest regard, our stewards; supporting and providing ongoing leadership training.

I have worked to earn your respect and trust and I hope to have your help, your thoughts and your vote for a better run agency.

“My goal is to hold firmly in my heart, integrity, commitment, and leadership in serving the members of DHS Local 200.”
